

RAVENOL Petrol Quality Stabilisator

Fuel additive for all petrol engines.

RAVENOL Petrol Quality Stabilisator contains an innovative ingredient, which ensures the general quality of the fuel.

RAVENOL Petrol Quality Stabilisator effectively prevents and reliably protects against age-related deposits.

RAVENOL Petrol Quality Stabilisator improves start performance.

Application Notes

RAVENOL Petrol Quality Stabilisator is added to the petrol.

Area of application:

- Petrol-operated engines
- For storage and overwintering purposes and to prevent start problems after longer standstill periods
- In the event of increased fuel consumption
- For all 2-stroke and 4-stroke engines
- For lawn mowers, vintage vehicles, boats and chainsaws

Application: Pour the contents of the container into the full tank. The ideal dosage is a can of RAVENOL Petrol Quality Stabilisator per 40 litres of petrol.

Quality Classifications

RAVENOL Petrol Quality Stabilisator contains effective antioxidants, to prevent the fuel from ageing prematurely.

Characteristic

RAVENOL Petrol Quality Stabilisator provides:

- Improved start performance
- Excellent corrosion protection
- Prevention of deposits
- Ensures the quality of the fuel
