

RAVENOL Zweirad-Pflege

RAVENOL Zweirad-Pflege is a highly effective solvent cleaner primarily for use with all types of bicycles, mopeds, scooters and motorcycles. Formulated for use in the cleaning and maintenance of all metal parts, it has special additives which offer a deep penetrating action to reach inaccessible areas and prevents rusting with a protective and preservative effect in which it covers components with a protective film.

Application Notes

RAVENOL Zweirad-Pflege removes cap and spray a thin film on the area to be treated. Allow a short time to penetrate, then wipe with a fine soft cloth. Areas of stubborn soiling may need to repeat the process.

Quality Classifications
